C TICK COMPLIANCE – N2909

TransTech Electronic Controls Pty. Ltd is a registered Company for the use of the “c-tick” logo (Registration # N2929)

TransTech’s approach to C TICK compliance is:

1. Fixing of the C TICK registration number to all imported products that meet the CE Compliance testing and TransTech holds the required Statutory Declaration.
2. Fixing of the C TICK registration number to all TransTech own designed and manufactured products, as and when, they meet the C TICK compliancy standards.
3. C-TICK labels have been fitted since April 1999
